CLIENT

Fortescue Metals Group /
Leighton Contractors

PROJECT

Solomon Mine Kangi Camp
Landscaping

LOCATION

Pilbara, Western Australia

VALUE

AU\$3 million

START DATE

October 2013

FINISH DATE

Ongoing

PROJECT SUMMARY

Eastern Guruma contracted to design and construct landscaping for Kangi Camp at Fortescue Metal Group's Solomon Mine.

Landscaping works have enhanced the accommodation camp and associated recreational areas.

This is an ongoing project that now provides grounds maintenance and small works for the Kangi Camp area.
